1. About our services

MMGA Studio is an architectural visualization studio specializing in photorealistic 3D rendering, architectural animation and walkthroughs, interior design and architectural design services. We work with architects, developers and designers worldwide.

The Website serves as a portfolio and point of contact: it showcases our work and allows potential clients to reach us through a contact form.

Submitting the contact form does not constitute a binding order and does not create any contractual obligation between the parties. Any project engagement is agreed separately, in written or electronic form, following individual discussions regarding scope, deliverables, timeline and price.

The content displayed on the Website — including images, 3D renders, animations and project descriptions — is provided for informational and illustrative purposes. Actual project outcomes may vary depending on scope, source materials, spatial constraints and other project-specific factors.

2. Intellectual property

All content on the Website — including text, graphics, images, photographs, 3D renders, visualizations, animations, design elements, the MMGA Studio logo, and the Website's structure and source code — is the exclusive property of Marinescu Gusicov Design S.R.L. or is used with the permission of the respective rights holders. This content is protected under Romanian, EU and international copyright and intellectual property law.

You may **not** reproduce, copy, distribute, publish, modify, transmit, sell or otherwise exploit any part of the Website content, in whole or in part, for commercial purposes without our prior written consent. You may view and share links to the Website for personal, non-commercial purposes, provided that authorship is not misrepresented.

The portfolio images represent original works created by MMGA Studio, or projects completed for clients and published with their agreement. Unauthorized use of these works — including use as training material, templates, or in commercial presentations — constitutes an infringement of our intellectual property rights and may result in civil and/or criminal liability.

We do not sell advertising space on the Website, and no third party is authorized to advertise on it.

3. Acceptable use of the Website

You agree to use the Website only for lawful purposes and in accordance with these Terms. In particular, you shall not:

- attempt to gain unauthorized access to the Website, its server or connected systems;
- interfere with the proper functioning of the Website (including through malware, scraping at scale, or denial-of-service actions);
- reproduce, copy, distribute or exploit Website content without our consent;
- submit false, misleading or fraudulent information through the contact form;

- transmit any content that is illegal, offensive, defamatory or that infringes the rights of third parties.

We reserve the right to restrict access to the Website for users who violate these Terms.

4. Personal data and cookies

When you use the contact form, we collect the personal data you provide (such as your name, email address, phone number and project details) in order to respond to your inquiry and prepare a proposal.

Full details on how we collect, use, store and protect personal data — and on your rights under the GDPR — are set out in our **Privacy Policy**, available on the Website. Information about the cookies used on the Website is available in our **Cookie Policy**, also published on the Website. Both documents form an integral part of these Terms by reference.

5. Disclaimer and limitation of liability

The Website and its content are provided "as is" and "as available". While we make reasonable efforts to keep the information accurate and up to date, we do not warrant its completeness, accuracy or suitability for any particular purpose.

To the maximum extent permitted by applicable law, MMGA Studio shall not be liable for any direct, indirect, incidental or consequential damages arising from the use of, or inability to use, the Website, or from errors, omissions, interruptions, viruses or other technical issues related to its operation.

The Website may contain links to third-party websites and platforms (including our social media pages). We do not control and are not responsible for the content, privacy policies or practices of any third-party sites.

Nothing in these Terms excludes or limits liability that cannot be excluded or limited under mandatory provisions of applicable law, including mandatory consumer protection rules.

6. Changes to these Terms

We reserve the right to update these Terms & Conditions at any time. The date of the most recent update is displayed at the top of this page. Continued use of the Website after changes are published constitutes acceptance of the updated Terms. We recommend reviewing this page periodically.
